---

It's a matter of trust when you've been beaten  
It's a matter of faith when you can't see  
It's a matter of hope when doubt surrounds you  
And brings you to your knees  
It's a matter of love when you've been hated  
In spite of the fear inside your heart  
When you're standing all alone  
And feel that everything is gone  
Listen to the voice inside

It takes courage walking down this road  
It takes courage when you're on your own  
You've got the light deep within  
To show you where to go  
It takes courage this I know  
But there's nowhere else to go

Instead of words of rage, let there be passion  
Instead of bitterness, let there be peace  
Instead of taking pride in ones own ambition  
Let the battle cease  
Instead of hurtful actions, show some mercy  
In everything, let graciousness be heard  
When you're standing all alone  
And feel that everything is gone  
Listen to the voice inside

It takes courage walking down this road  
It takes courage when you're on your own  
You've got the light deep within  
To show you where to go  
It takes courage this I know

A gushing river  
Freshens up my soul  
Helps me lose control  
And I don't have to  
Fear the strength, the flow  
That grabs me off the shore  
It's the power of letting go

It takes courage walking down this road  
It takes courage when you're on your own  
You've got the light deep within  
To show you where to go  
It takes courage this I know
