---

A fraction of a moment  
Is all I really need  
What happens in a second  
Makes lifelong memories

To you it seems so simple  
It means the world to me  
What happens in a second  
Can make lifelong memories

Because I'm precious  
And though it's hard to see  
I know I'm precious  
And will forever be

A gentle touch a sweet embrace  
The power to make me whole  
Assurance in your loving arms  
Will carry through the storm

A single thought of loveliness  
Reveals what lies beneath  
That a word said in passion  
Will get my heart to breathe

When I look into your eyes  
I know it's meant to be  
In this life it's the small things  
That matter most to me
